Try to Remember

Sullivan High School

As we progress in our lives, we often forget the past. The past should never be forgotten for the present will someday be the past. Remember the feeling you had on the first day of your Freshman year? And then, before you knew it, you were a Sophomore–a Junior–a Senior! Weren't those wonderful years? A little rough at times, but I'm sure that they hold precious memories for all of us. These memories must never be forgotten for they are a very important part of our life. As alumni, it may be difficult to recall all of our activities; but you must TRY TO REMEMBER.

We hope that with this Retrospect we can help you to remember the underclassmen, Homecoming, Sadie Hawkins, that fabulous football team, Prom, and many other activities that hold different "special" memories for each of us. In years to come, turn these pages and TRY TO REMEMBER those precious memories and friends of Sullivan High School.

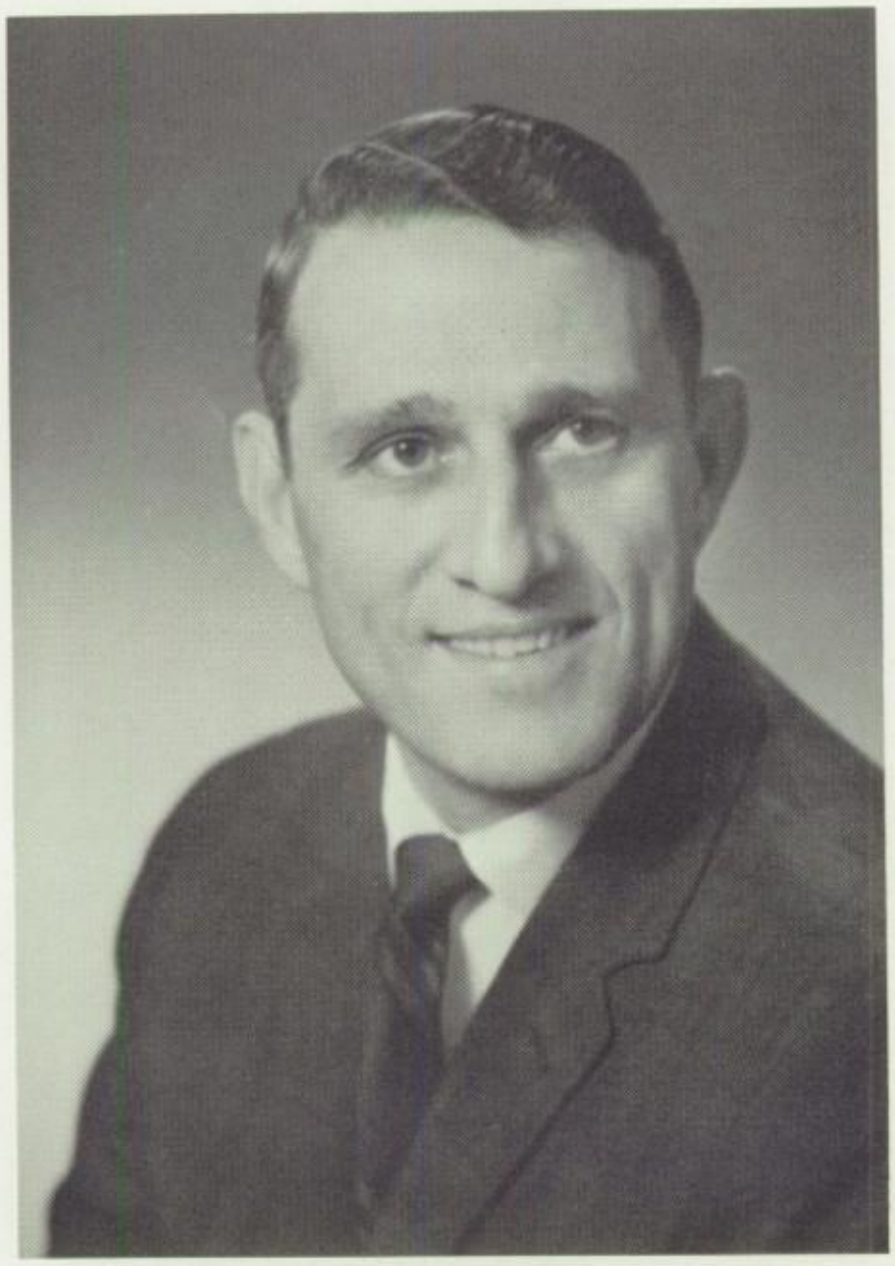
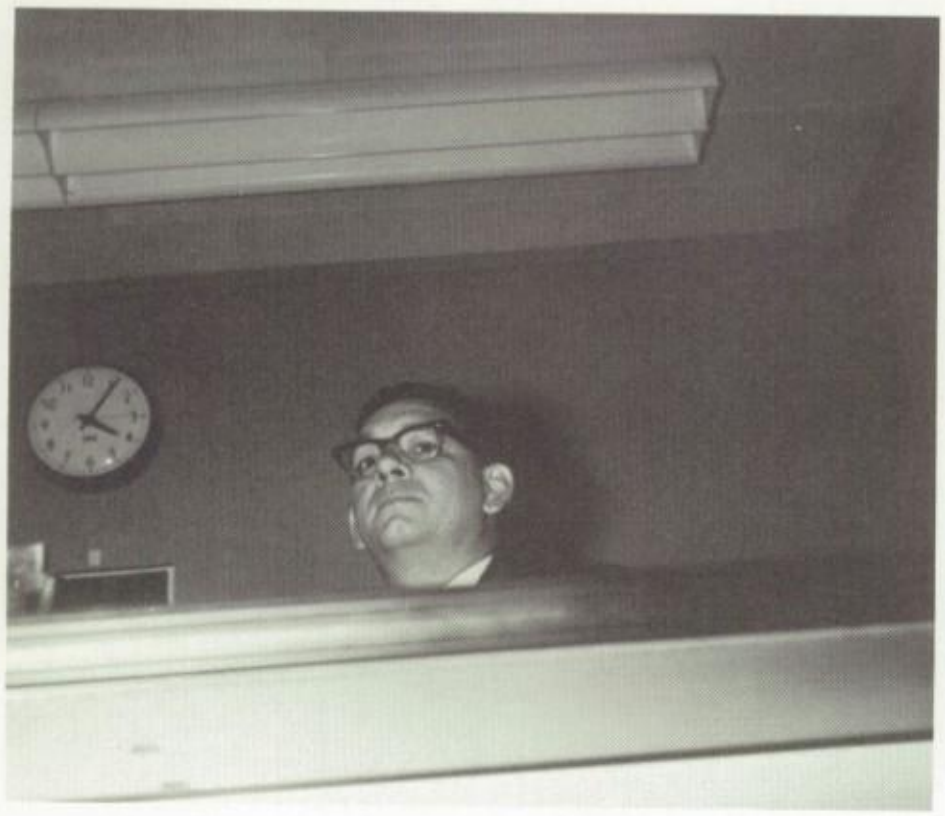
Dedication



Mr. Tepatti

We, the class of 1968, are proud and honored to dedicate our yearbook to a person who has given much of his time and efforts to the students of Sullivan High School. His cheerfulness, helpfulness, and patience are just a few of the qualities that has made him an ideal sponsor for our class. His friendliness is evident not only to his own students but to the faculty and other students as well.

Although he has been a member of the faculty for only three years, the results he has achieved have been tremendous. A splintered baton, frost-bitten fingers, and fighting off dogs are only a few of the things that he has endured to make our band famous. With heartfelt thanks, we dedicate this 1968 Retrospect to you, Mr. Tepatti!



"NO personal contact, please!"

"Sorry 'bout that, Mr. Coil."

"We actually eat that stuff."

Jacksonville, here we come!

Susana

Our foreign exchange student during the school year of 1967-1968 is Susana Lopez. Susana's hometown, Quito, Ecuador in South America has a population of 500,000. Being only 15 miles from the equator, Quito has a mild, warm climate with only a few short raining seasons. Susana has five sisters, and two brothers. Her father is a retired army general, who now has his own business. Her mother is a housewife. Three of Susana's sisters and both of her brothers are married. Susana, who is 18 years old, graduated from high school last year. In Ecuador, Susana too took between nine and fourteen subjects at school. Before coming to the United States, she had taken six years of English. Entertainment in Ecuador includes many of the sports and activities that we have here, such as: tennis; swimming; bowling; bicycle, car, and horseraces; movies; dances; and soccer games. In Ecuador, they can swim in the many hot spring and thermal waters. Also, bullfights and cockfights are very popular sports in Susana's country. Especially popular with the Ecuadorian boys is mountain climbing.

Landers' Family

Susana

Lopez Family

Susana arrived in St. Louis by plane on August 26. At the airport, Susana was met by Mr. and Mrs. Jay Landers, Dodie, Susie, and Vic, her adopted family for the coming months. The following day Susana was introduced to many of the students and faculty of S.H.S. Being a member of French Club, Pep Club, G.A.A., Retrospect Staff, and the Student Council, Susana is indeed an active member of Sullivan High School. Her school subjects include French, English III, American History, Sociology, and Art. Besides being active in school, Susana has visited Rockholme Gardens with the Landers family, and she also visited the New Salem Park in Springfield with her family. With a friend, Susana spent a few days in Chicago. Also, she has attended A.F.S. weekends at Bloomington and Unity. Both Susana and Dodie attended an A.F.S. weekend party at Charleston.

Susana, we hope that you have enjoyed your stay in the United States and in Sullivan, Illinois as much as we have enjoyed having you. We have shared and exchanged ideas, thoughts, and laughter, but most of all we have shared friendship. In the years to come, we hope you think back with fond memories and TRY TO REMEMBER your friends here in Sullivan.

Susana Day

Ole!

To Susana from the Senior class.

On November 8, 1968, Susana was honored at the annual A.F.S. Day. The students bought "S" tags at the door that morning, and the money collected from the sale of tags came to $74.80. Sixth and seventh hours the students scraped up their money to buy baked goods at the auction led by Mr. Leland Glazebrook. A heated rival between the classes ended with the seniors buying the biggest cake for $66.00 and presenting it to Susana. Alfredo, Arthur's A.F.S. student who is also from Ecuador, and Susana entertained the student body with a native dance. After that, the students joined in with their native dance! Mark and Debbie Drake also furnished some delightful entertainment. Altogether, the day was a huge success with a contribution of $351.35 to the A.F.S. fund.

Where's your money?

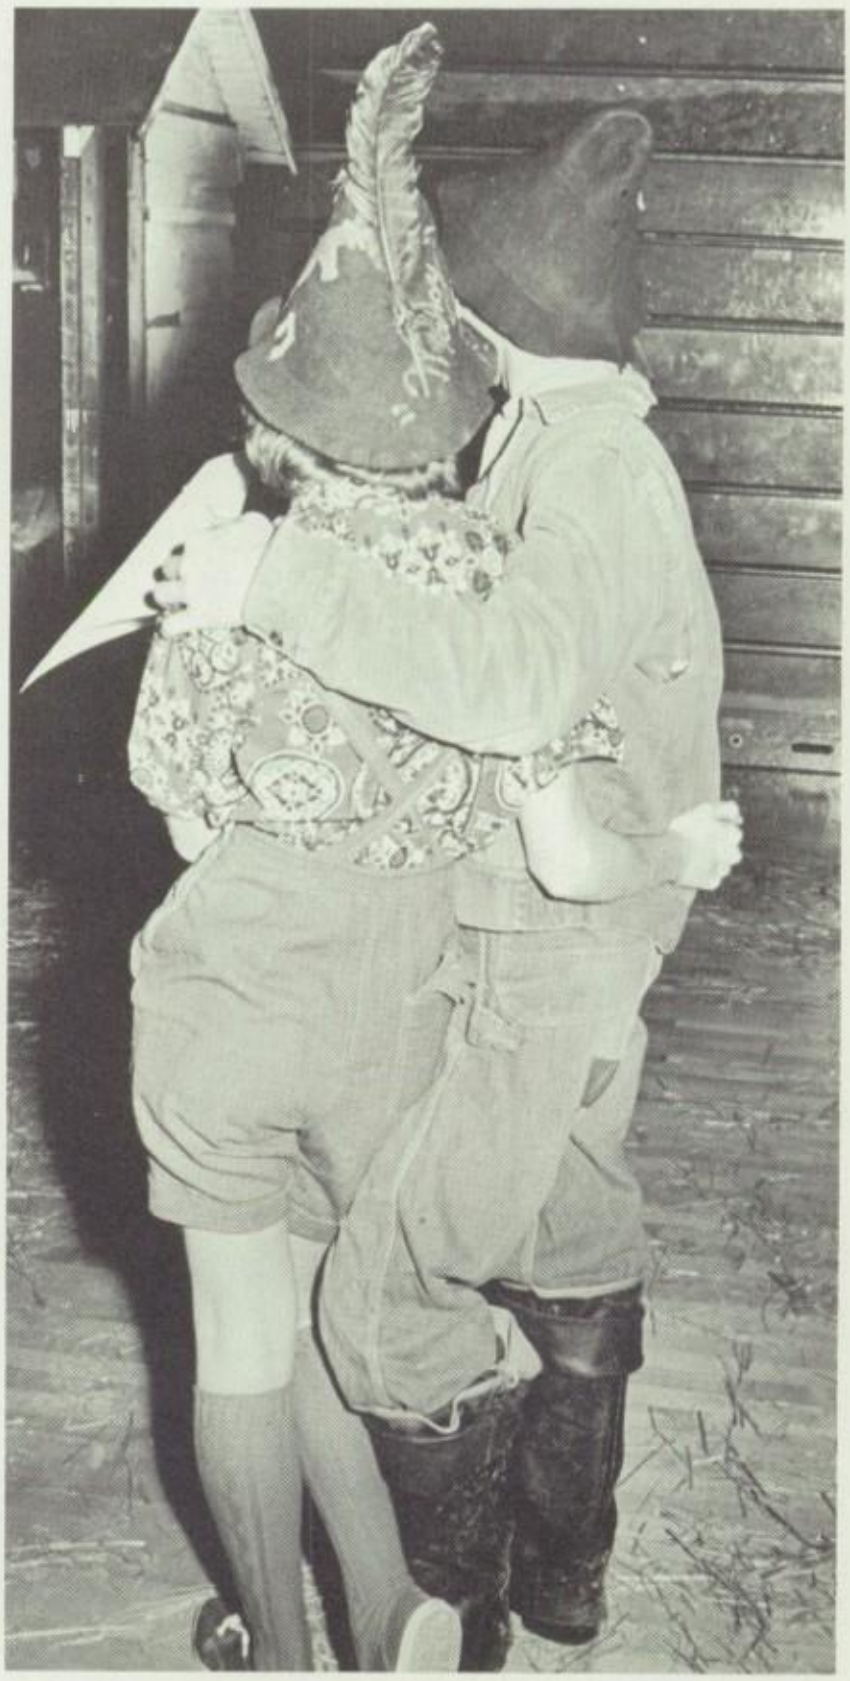
Sadie Hawkins

Debby—Miss Sadie Hawkins and Bill—Mr. Ugly.



The Sadie Hawkins Dance is sponsored by the Boys' Athletic Association. Their purpose is to raise money for the Johnson-Schrodt Memorial Scholarship, which will go to the most deserving Senior boy. To attend the Dance, a girl must ask the boy. The couple comes dressed in colorful costumes of hillbilly-type attire. The highlight of the evening is the crowning of Miss Sadie Hawkins and Mr. Ugly. The student body elects this girl and boy by voting with pennies, nickels, and dimes. The candidates with the most donations become the new Miss Sadie Hawkins and Mr. Ugly.

New Additions

Introspect

Due to the lack of cooperation from the faculty, concerning a school newspaper, Mr. Catey arranged with Mr. Best, publisher of the Moultrie County News, for a student page to be published once a month. After some deliberation, it was decided that the page would be called "Introspect", meaning an inward look. Mr. Catey offered to be the teacher sponsor, and Chuck Hutchcraft was elected editor.

After the first semester, Jackie Messmore graduated, and Denise Horsman and Ruth Anne Dean, both seniors, joined the staff.

During its first year, Introspect has served as a means to inform the public of school happenings and some thoughts from the students about things happening in the community.

New Band Room

With the unhappy departure of our faithful Mr. Coles, the ex-janitor of S.H.S., we are pleased to welcome Jim Meador to take his place. Jim, who started the first of this year, has proven that he, too, is capable of meeting the many demands of S.H.S.

Jim Meador

With the number of band students steadily increasing each year, a new band room was a must. Protruding from the north side of the school, it is reached by an outside entrance. The room itself is divided into several smaller rooms. The main room is complete with risers and a storage balcony. Branching off from the main chamber are three practice rooms, an instrument storage room, and Mr. Tepatti's office which also contains a small room for storing music. Those who use the new band room and have seen it, all agree that it is the best addition S.H.S. has had in a long time.

Mock Convention

Our pioneers

Our Delegation

Our sponsors

On February 3, 1968, 12 members of the Sullivan student body along with two sponsors, Mr. Cameron and Mr. Waren, attended the first meeting of the Mock Convention. There they received information about the convention to be held on May 4, 1968, at the National Guard Armory in Urbana. 33 schools from ten counties were represented; Sullivan being represented by 168 students– the highest number of representatives from any of the other schools! On April 6, 1968, a dance was held at the union building at the U. of I. so that campaign managers could promote their candidates.

At the convention, each "state" will vote for his favorite son; after that, the vote is up to the individuals. The purpose of the convention is to promote understanding of our political system, but the social aspect was very rewarding too!

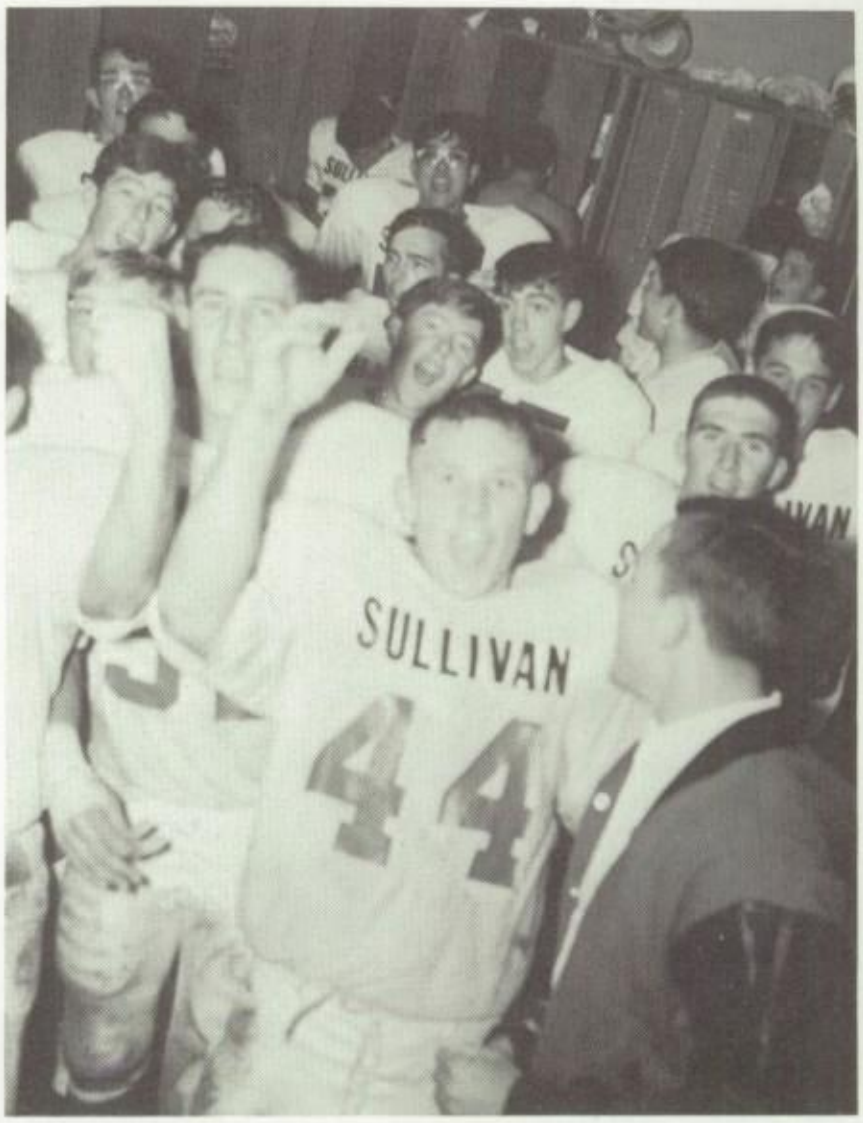
Coach Bob Calvin and Coach Ray Schaljo



"Where's the champagne?"

Varsity Squad

Despite the loss on line coach Craig Thies, 225 pound tackle Dave Schmink, and the one of 40-12 to Unity, the Redskins managed to compile an 8-1-0 record which was the best in Sullivan football history, but still not good enough for a repeated Okaw Championship.

Much of the credit for this year's success goes to the defense, who did an outstanding job of holding their opponents to an average of nine points a game. Linebacker, Dave Lane, led the tackle charts with 103, followed by Jerry Isaacs with 86, and John McLaughlin with 84. The defense intercepted 15 of their opponents' passes with Charles Landers having 10.

On the offense the Redskins had a returning all-conference backfield with the exception of quarterback Mike Butts. Tony Ray led the rushing with 848 yards followed by Charles Landers with 704 yards and an all around total of 1180 yards and 72 points. In the line Dave Craig and Dave Lane landed all-conference berths. Quarterbacks Mike Butt and Mike Calvin combined in hitting 53 out of 123 passes with 11 being intercepted. The total offense gained 2894 yards.

Next year's varsity squad sees nine returning lettermen and a tough shopomore squad (4-2-1) adding some depth.

Front row: Tony Ray, Tim Daily, Jack Kenton, Dave Lane, Dave Craig, Bob Hansen, Steve Hollonbeck, Mike Miller, Stan Sanders, Charles Landers, Mike Butt. 4-2-1

The sophomore team, although small in number, was large in fighting spirit which carried them to a successful 4-2-1 season. The sophomores coached by Lynn Swango scored 27 points in each of three games to defeat Shelbyville, Charleston and Arthur. They tied Tuscola 6-6 in a hard fought battle in the rain and lost to Arcola and Monticello.

Bob Lane and Roger Dudley shared the quarterbacking chores and both did a yeomanly job. The leading ball carriers were Rick Martin and Jim Glazebrook. Martin carried 92 times for a total of 512 yards and Glazebrook made 468 yards in 103 tries. Bob Horsman carried 53 times for 237 yards and a 4.5 average. Steve Luse was the leading pass receiver with 5 catches for 189 yards and 3 TD's.

The following boys' tackles showed the team's ability to hold our opponents to 73 points to our 113. High in tackles were Mike Ray–86, Bob Callahan–65, Grant Casleton–58, Sam Donaker–40, and David McFarland–33.

The sophomores look forward to playing and helping the varsity win the next two years.

4-2-0

The 1967 Freshman football squad ended the season with a 4-2 record after fighting back from a 1-2 record midway through the season.

Jim Glazebrook, also a Sophomore starter, with 240 yards and Mike Morton with 463 yards were the leading rushers. Keith Bomkamp led the tackle chart with 50 stops, but the defense as a whole was very impressive. The defense held their opponents to 450 yards in total offense while Sullivan gained a total of 1444 yards. The Sullivan fans expect great things from this team in the future.

Promising freshmen and sophomores, along with two transfers, helped in putting together a successful "first" season for coach Ray Schaljo.

Roger Dudley turned out to be a pleasant surprise after the beginning games of the season. Coach Schaljo found consistency in juniors. John McLaughlin, and sophomore, Mike Ray, who also doubled on the Varsity.

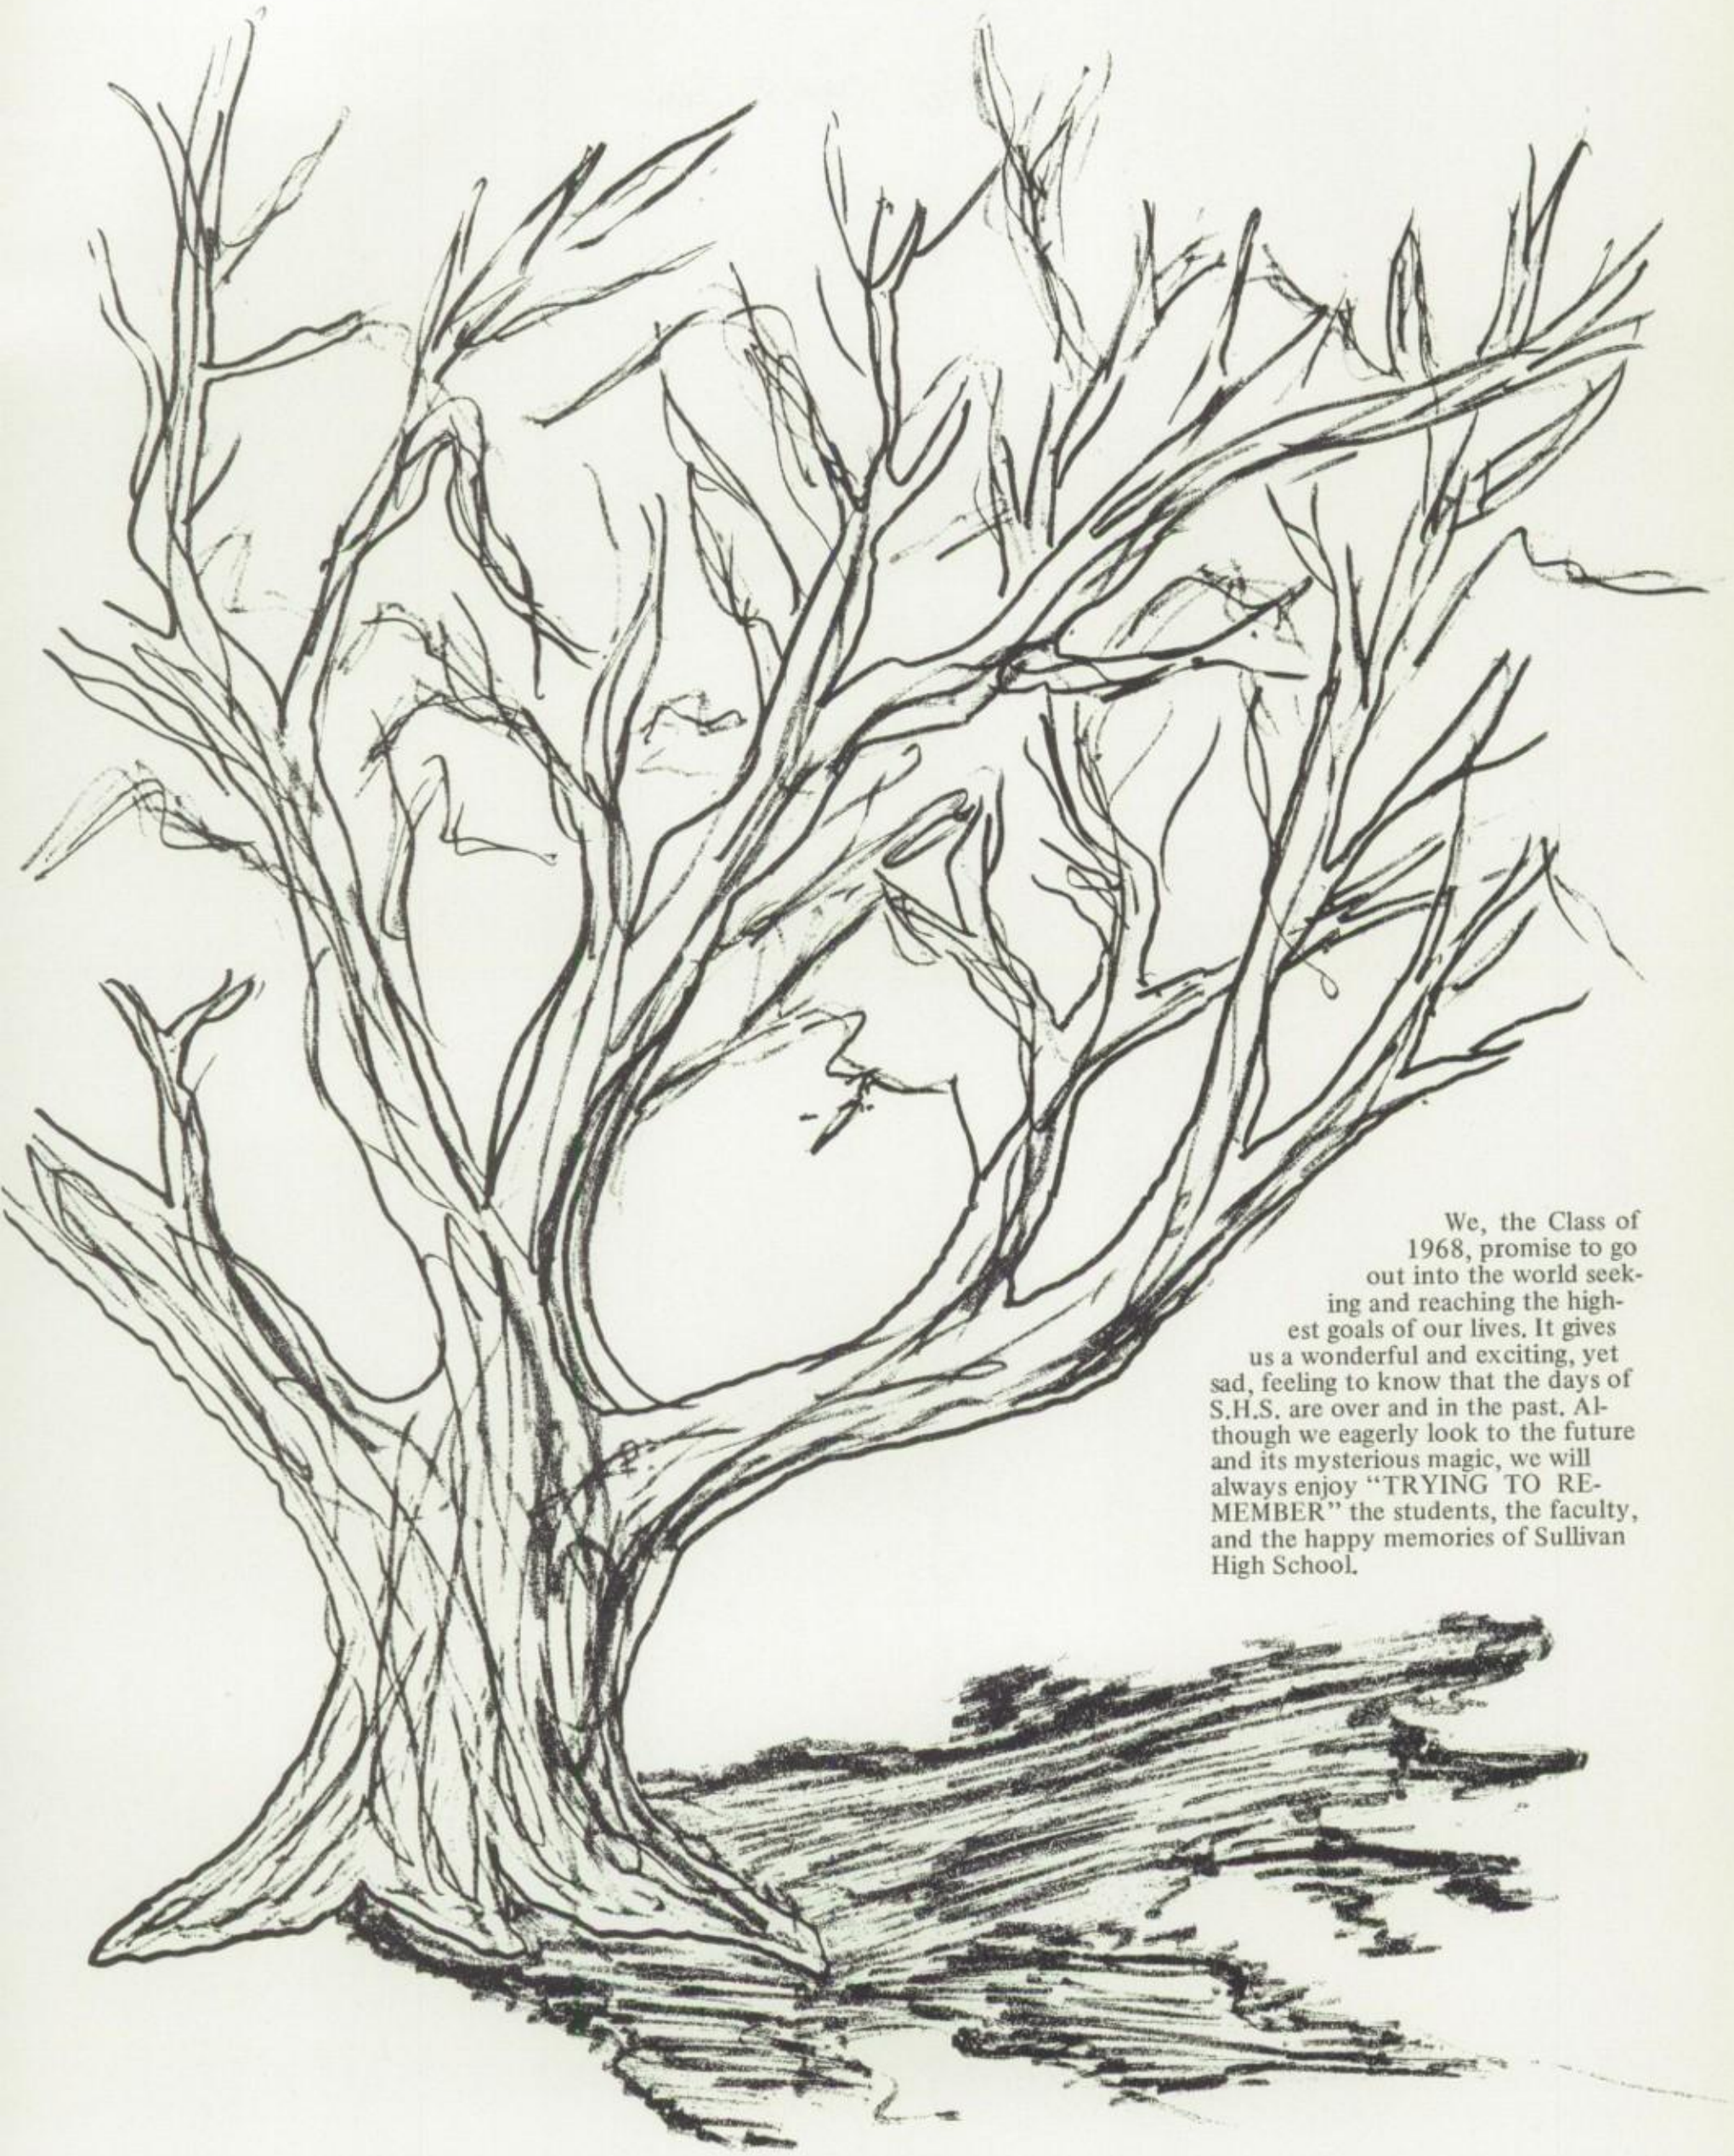
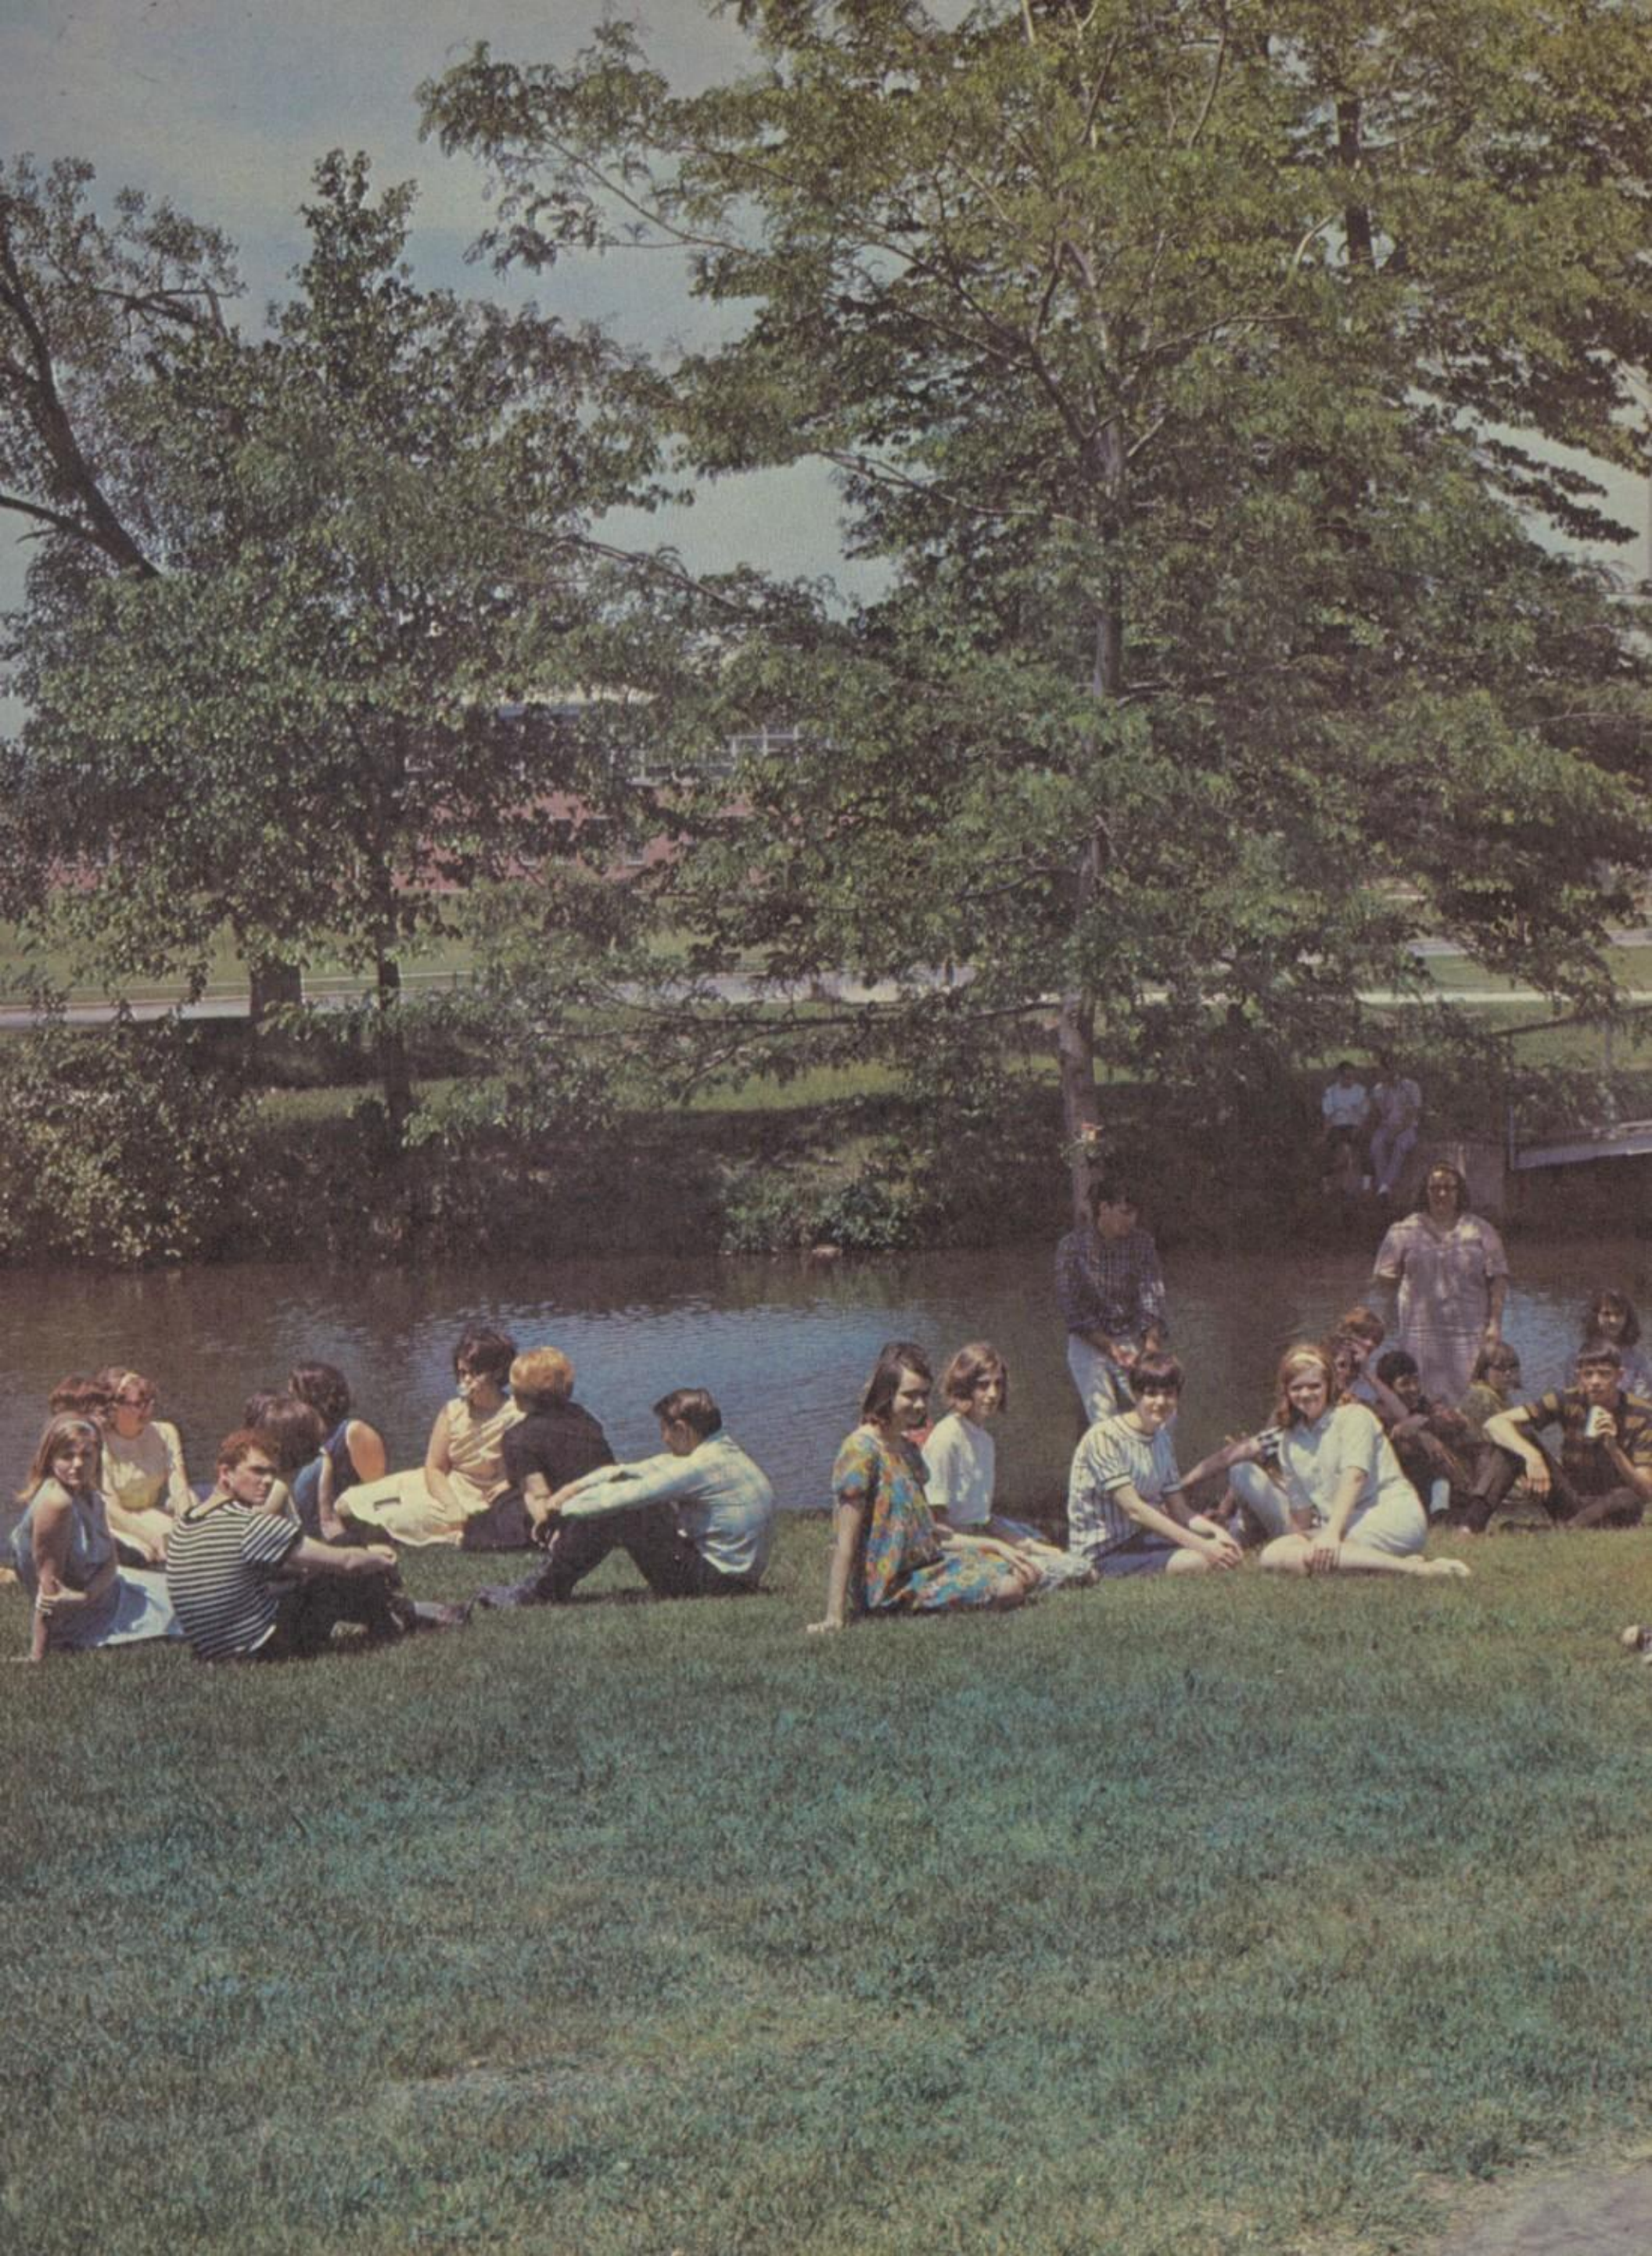
Year!

We, the 1968 Retrospect staff, would like to express our sincere thanks to those people who helped in the production of this yearbook. Mr. Borsay, of the Hi-Lite Studio, and Mr. Dave Mobley are held in our highest esteem for giving so freely of their time and wonderful talent.

The editors would also like to extend their special thanks to Mr. Bales and Mr. Ozier, the Retrospect sponsors, and to the staff for giving their full cooperation and much of their valuable time to the 1968 Retrospect, "TRY TO REMEMBER."





We, the Class of 1968, promise to go out into the world seeking and reaching the highest goals of our lives. It gives us a wonderful and exciting, yet sad, feeling to know that the days of S.H.S. are over and in the past. Although we eagerly look to the future and its mysterious magic, we will always enjoy "TRYING TO REMEMBER" the students, the faculty, and the happy memories of Sullivan High School.
